Sir,

With reference to Government order No. 916 of the 16th February 1901 stating that the repair of the temples of Doddalalasavanna and Ganesha in the Basavanagudi Extension of the Bangalore City should not have been undertaken in anticipation of Government sanction and that the bill for Rs 82-15-9 sent for the work done cannot be sanctioned, there being no funds at the credit of the temple in question, I beg to state that the Amildar that he began the

Dy Commissioner's order and com-
pleted it before the expected visit of
His Highness the Maharaja as per
my order, and that therefore the
amount of the bill should be
sent to him. The late Deputy
Commissioner appears to have
ordered the work with the view
to make the temples look neat
at His Highness' visit and it
was also with the same object that
I urged him to complete the work
early as it did not seem to be right
to have it in an unfinished state
at the time of His Highness' visit.
In these circumstances, I beg that
